Shunning

Don't spell a bloom writ of solidarity
radical torpor wreaths evils
 at bottom;
 If deed, done.

Won't know it a better
 to call out, to, as familiar,
 discontented:
erupting confluence, yielded —
brandishing the exilic
of mine own.

Can't softly ask tragedy's
 placation, ravaged up,
inside down disgrace
to each new mirror,
scornful as

 salivating trios, shame
(real opposition pre-
posed); as I do not form them
 there's molested craze.
